

TAMPA DAY SCHOOL
Summer Tutoring Information & Registration Form 2009

Overview

The Learning Solutions program at Tampa Day School (TDS) has been offering opportunities for small group and one-to-one tutoring during the summer months for the past 40 years! In addition to our Summer Intensive Reading Intervention Program and RIGHT TRACK summer camp for kids with ADHD, we offer developmental writing workshops and math enrichment courses (grades 3-6), individual tutoring, and a readiness course for students entering kindergarten and first grade at TDS.

While some students are working toward mastery to overcome academic challenges, others are striving for enrichment opportunities to strengthen previously learned skills. Our summer courses/tutoring are designed to meet both of those needs. For summer 2009, we are offering the following courses/tutoring:

Middle Elementary (Entering 3rd and 4th graders)

Session I (June 15-26, Monday-Friday)

Math Enrichment Course

9:00 – 11:00

The *Math Enrichment Course* provides opportunities for review and reinforcement of basic math skills (regrouping with addition and subtraction, multiplication facts, division, measurement, word problems, manipulation of money, etc...) for students entering grades 3 and 4.

Session II (July 6-17, Monday-Friday)

Developmental Writing Workshop

9:00 – 11:00

Our *Developmental Writing Workshop* is tailored to meet the needs of students entering grades 3 and 4 who would benefit from ongoing instruction in written language. The goal of these sessions is to promote development of written work (content, organization, mechanics, and use of specific writing formats).

Upper Elementary (Entering 5th and 6th graders)

Session I (June 15-26, Monday-Friday)

Developmental Writing Workshop

9:00 – 11:00

The Upper Elementary *Developmental Writing Workshop* is tailored to meet the needs of entering 5th and 6th grade students who would benefit from ongoing instruction in written language. Our Upper Elementary Program will afford students the opportunity to have fun while learning a variety of writing techniques. Our goal is to promote written expression of thoughts, elaboration of written work and attention to detail (e.g., capitalization, punctuation, and grammar) to enhance the overall quality of written work.

Upper Elementary (Entering 5th and 6th graders)

Sessions II (July 6-17, Monday-Friday)

Math Enrichment Course

9:00 – 11:00

The *Math Enrichment Course* provides opportunities for review and reinforcement of basic math skills for students entering grades 5th and 6th. Topics such as long division, fractions, applied problem solving, and measurement, are covered in this course.

Early Elementary Readiness (Entering K & 1st graders-enrolled for TDS 2009-10)

July 27-30 Monday-Thursday

Early Elementary Readiness

8:30 – 10:30

The Early Elementary Readiness Program has been developed for students enrolled to begin K or 1st grade at Tampa Day School for fall 2009. This session is designed to introduce early literacy skills and basic math concepts while orienting students to the TDS early elementary program.

Individual Tutoring (Students entering grades K-8)

Ongoing Sessions June 15th through July 30th

1-on-1 Tutoring

Ongoing Enrollment-Call for Availability

Tutoring is scheduled throughout the day (based on availability). Our tutors work closely with parents to identify specific goals to target during tutoring sessions. As a result, individualized plans tailored to the needs of each student are developed and then implemented during the tutoring sessions. Our tutors address a wide range of skills and in particular, are equipped to assist with the following:

- Reading-phonemic awareness/word attack skills, fluency, or comprehension
- Math-calculation/operations, math fact practice, and applied problem solving
- Writing-content, organization and editing
- Keyboard Skills-typing accuracy and speed
- Support for summer reading assignments and projects

Course Fees (Deposit of \$100.00 required for registration)

Course	Session Offered	Cost
(3 rd -4 th) Middle Elementary Developmental Writing Workshop	Session II	\$400.00
(3 rd -4 th) Middle Elementary Math Enrichment Course	Session I	\$400.00
(5 th -6 th) Upper Elementary Developmental Writing Workshop	Session I	\$400.00
(5 th -6 th) Upper Elementary Math Enrichment Course	Session II	\$400.00
Individual Tutoring (ongoing enrollment)	June 15 th -July 30 th	\$70.00/hour

To Register

To register for any of the summer tutoring programs-

- Complete the Learning Solutions 2009 Summer Tutoring Registration Form (on the following page)
- If you are interested in one-on-one tutoring and current cognitive and achievement testing is available, please submit along with registration
- Mail completed form along with the \$100.00 deposit and available testing (if applicable) to:
Tampa Day School
12606 Henderson Road
Tampa, Florida 33625
Attention: Learning Solutions Summer Tutoring Program
- Pay in full by the first day of the course or by the first day of tutoring

Deposit fees will be returned if your child is not accepted into the program or if we are unable to accommodate your child (space is limited).

Once your application is received, you will be contacted to discuss your child's needs and additional program details. At that time, you will be asked to complete a more comprehensive enrollment form to assist us in the development of your child's individual program.

If you have questions about the program, or would like to tour the facility before program registration, **please contact the admissions office at 813-269-2100 x100 or email linda.fedewa@tampadayschool.com.**
